

Class Teacher Vacancy

Preston Hedge's is proud to be an outstanding school! We have amazing, polite, extremely well behaved children who love to learn and are very keen to proudly exhibit their knowledge and skills; an incredible staff team 'family' who are friendly, creative and believe in collaboration; and supportive parents who encourage us to be as creative and individual as we can possibly be! Our school is a very dynamic place to learn and work in!

The school philosophy centres around the key principles of 'Fun, Creativity & Achievement.' With these as the foundations of our school, we are committed to giving our children innovative and engaging learning opportunities that support them to become confident, life-long learners. This approach offers a real freedom for our teachers, who are encouraged to make class learning as creative and memorable as they can.

We are currently looking to appoint an exceptional class teacher who is passionate about teaching, committed to providing creative learning experiences and can secure high quality outcomes for our children. This role would suit someone with experience or an NQT starting their career.

As a Trust, we currently have 4 schools in the family, with another due to open in September 2021. This enables us to provide incredible career opportunities and CPD for our creative and talented members of staff. We collaborate regularly, learning and sharing with each other, and our staff find this to be hugely valuable in providing support, ideas and inspiration.

We strongly believe in work/life balance thus we avoid giving unnecessary teacher overload: we keep paperwork to a minimum, ensure staff meetings are kept to a reasonable length, and our staff wellbeing is as important to us as pupil wellbeing.

Potential candidates are warmly welcome to meet the Principal and other members of the team and to learn more about this exciting role and the opportunities that it brings by visiting our school. Come and see our happy atmosphere and creativity in action - we are very proud of our thriving learning environment and superb

children!

If you would like a tour and to find out more, please e-mail tracey.coles@prestonhedges.org or contact Claire on 01604 665860

Preston Hedge's Primary School is committed to safeguarding and promoting the welfare of pupils. We follow safer working practices and therefore an enhanced DBS is required for all successful applicants alongside the request of references for all shortlisted candidates prior to interview. As part of our recruitment policies, the successful candidate will be expected to complete a medical questionnaire.
